******* 2020 TAX CALCULATION *******
TAXES ARE VALID FROM JANUARY 1, 2020 TO DECEMBER 31, 2020

The amount of the license tax applicable to your business is based upon the annual volume gross receipts generated by your business in the most recently ended fiscal year used by your firm. For those businesses not having completed one year of operation or those who are applying for their first license should make an estimate, to the best of their ability, of the 12-month volume.

“Gross Receipts” includes the total amounts actually received or receivable from sales and the total amounts actually received or receivable for the performance of any act or service for which a charge is made or credit allowed, whether or not done as a part of or in connection with the sale of materials, goods, wares or merchandise. Included in “gross receipts” are all receipts, cash, credits, and property of any kind, without deductions of the cost of property sold, the cost of materials used, labor or service costs, interest paid or payable, losses or other expenses. See Section 5.08.060 for a list of items to exclude from “gross receipts” (exclude gross receipts from sale of alcohol).

Multiply 0.05% by the excess amount over \$100,000 (\$50,000 x 0.05%), which equals to \$25.00. Then add the \$25.00 to \$133.75, which equals the total of \$158.75.

**On September 19, 2012, Governor Brown signed into law Senate Bill 1186 which adds a state fee of \$4.00 on any applicant for a local business license or renewal. Effective January 1, 2013 this fee will be required from all new business licenses or renewals. The purpose of the fee is to provide a funding source for increased disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with the federal and state disability laws.

Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public. You may obtain information about your legal obligations and how to comply with disability access laws at the following agencies:

- The Division of the State Architect at www.dgs.ca.gov/dsa/Home.aspx.
